

# *A Vision for Clean Water*

presents

## **Introduction to Low Cost Sanitation Workshop**

**Four-day workshop provides theory, instruction and hands-on experience.**

- Includes topics such as eco-sanitation, sanitation promotion, hygiene and more
- Explores the relationship between sanitation and health in developing countries
- Balances theory with practical sessions where participants will construct latrine slabs and hand washing stations
- Provides opportunity to create an action plan for future work in the field

**DATES:** April 28-May 1, 2016  
**FEE:** \$400 (students \$200)  
**TIME:** 8:00 AM -5:00 PM

**LOCATION:** 125 Sill Hall  
Eastern Michigan University  
Ypsilanti, MI 48197

Fees include training, materials and supplies. Limited partial scholarships are available based on need. (EMU students may enroll in 1-3 credits of independent study. Contact [ddelaski@emich.edu](mailto:ddelaski@emich.edu))
