CREATE HOPE
in the **WORLD**

Tour of the Troy Water and Sewer Department
March 6th, 2024

- Have you ever wondered what the source of the Troy City Water is?
- Curious about the importance of regulating water pressure in Troy?
- Come join Troy Rotarians and other community members to get a tour of the water regulating valve and what the Department of Water and Sewer does to ensure the resident of Troy have safe and reliable water

RSVP for Tour by sending email to eileenheasley@gmail.com

Tour Time: 4:30 pm; meet at 4:15 pm

Social and Happy Hour after the tour.
